RE: BIENNIAL REPORT FOR 1990 (PRD091024786)

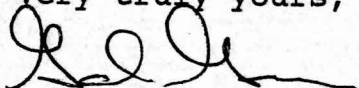

Gentlemen:

Enclosed please find the Biennial Report for the Hazardous Waste Operation of the Mayaguez Plant for 1989.

While reviewing our records, we found that this report was not sent to you as required by 40CFR 264.75. This was due to a misunderstanding. However, we submitted the report to the Environmental Quality Board, our local agency, in April 1990.

Hopefully, this will not be to much of an inconvenience for you.

Very truly yours,

Gabriel Garcia
Supervisor
Environmental Department
